**Terrain Description:** Ivanka pri Dunaji offers everything that a flat terrain may offer. You may look forward to a classic village area, riparian woodland, which is the most enjoyable in this part of the year, and old grazing fields and meadows with the fertile places for walnuts. And there will be something extra as well – a lakeshore with many details.

**Restrictions:** it is forbidden to cross all the objects drawn by relevant symbols of ISSOM 2007. Private plots will be labelled by the symbol ISSOM 527 (olive green) in the map but not in the terrain. Breaking the rules will be punished by disqualification of a competitor.

A forbidden area is the area of Ivanka pri Dunaji demarcated by Zaleska and Stefanikova streets and by the lake Strkovka, with the exception of the area of the school (Spojená stredná škola) and the access roads and parking plots.

**Controls descriptions:** printed on the maps and also available in the event centre of competitions. For SPRINT RELAY they will be available only on the map.

**Refreshments:** There will be water and flavoured water available in the finish area but you can also visit the refreshment stall in the event centre or restaurants in the village (f.e. a diner at St. Rozalia Square).

**First Aid:** by the club medic in the finish area

**Distances:** more information will be specified in the competition bulletin

**Parking:** in nearby streets, more information will be specified in competition bulletin

**Prizes:** The first three competitors in younger categories (up to MW-16) will be awarded, in other categories only the winner. Each competitor of MW-R category will receive a small surprise.
